Acting Chief, Supply Division

Vehicle Accident and Investigation

1. Transmitted herewith for your review and necessary action is the complete file relative to the report and investigation of a vehicle accident which occurred on 18 March 1955 and involved an Agency bus and a privately owned automobile.

25X1A9a 2. Your attention is invited to the recommendation of the Investigating Officer in paragraph 11 of the Report of Investigating Officer, to the effect that Agency driver, [REDACTED] be cleared of responsibility for the accident. If this recommendation is upheld by your office, the Agency would not be pecuniary liable for repair costs to the other vehicle. However, an alternative ruling may be to give the driver of the other vehicle the benefit of any doubt for reimbursement, based on the conflicting statements of the two drivers involved. Included in the file is a claim for reimbursement and three (3) repair estimates submitted by Miss Louise FOIAb6 [REDACTED] driver of other vehicle.

3. It is requested that this office be notified by memorandum as to the action taken by your office relative to this case in order that file may be completed.
